

Queen Victoria *World Voyage 2014*

THE MOST FAMOUS OCEAN LINERS IN THE WORLD

Queen Victoria: Our Elegant Cunarder!

Queen Victoria is a true Cunarder, thoroughly modern yet distinguished around the world by our timeless red and black livery. Her stately appearance draws much admiration almost everywhere she touches shore, as locals frequently flock to the quayside in grand harbours and tiny isles alike to glimpse her graceful curves.

Upon embarkation, you'll discover interiors warmly reminiscent of a more elegant era, a realm where luxuriant marbles and woods exude elegance; plush carpets, rich fabrics and soft furnishings ensure sumptuous comfort. While intimate, she also provides a sense of grandeur befitting a circumnavigation of the globe. Indeed your first encounter is with the dramatic three-tier Grand Lobby, whose magnificent staircase and eye-catching artwork offer a lavish taste of life aboard. Walk around the ship and you'll see elaborate chandeliers enhancing the calm grandeur of the double height Queens Room, as well as charming details like etchings by Queen Victoria and Prince Albert. Her stunning Royal Court Theatre rises the height of three decks, beautifully swathed in regal red and gold décor. You'll also notice that our conservatory-style Winter Garden is all light and relaxation – Its glass roof opening to the warm breeze.

What a stage from which to explore no fewer than 34 magical destinations strung enticingly around the globe.
